Transport to matches and practice sessions

SDCC's policy is that parents or another responsible adult are responsible for transporting players to and from all matches and practice sessions. SDCC will not be registering private vehicles for the transportation of individuals in connection with any fixtures or practice sessions arranged by SDCC. This policy is not intended to exclude any player from participation. Parents/guardians should contact their Manager if they have any problems with the transportation of players to matches or practice sessions.

Changing Policy

All parents must be aware that there are circumstances under which players under the age of 16 years may find themselves changing clothes in the presence of persons over 18 years. SDCC requests that if any parent is not comfortable with this arrangement then it is their responsibility to ensure the following:

Young players who do not wish to change or shower with adults are under no obligation to do so and are advised to change and shower at home.
Parental consent must be given if Young Players are to share changing facilities with adults. It is the responsibility of the parent concerned to ensure that their child does not enter changing facilities at any time if consent is not given.

I confirm that I have legal responsibility for this young person and am entitled to give this consent regards photography and video use. I also confirm that I understand and accept SDCC's policy on transportation.
If this Young Player participates in adult cricket he / she will change at home - he / she can change at SDCC.

Please note that the ECB Fast Bowling Directive (injury prevention) and Helmet Regulations are strictly applied by the Club. Children must wear a helmet and other protective equipment when batting and when standing up to the stumps when wicket keeping.
