Senior Leagues Merger

Stoke D'Abernon **Replies:** 19

Team	Tier	Format	Overs	Start Time
3rd XI	4			
2nd XI	3			I think the games should start much earlier with more flexibility. Anywhere between 10-12am
3rd XI	4			
2nd XI	3		I think it should be 50 overs.	
1st XI	2			
1st XI	2			
2nd XI	3		I believe the games should be 50 overs because it gives more people a chance to be involved.	Start times should be no later than midday. People almost universally want their days of cricket to finish earlier, not later. This allows people to have plans in the evening. I expect there would be a lot of people open to 11am start times too.
1st XI	2			
3rd XI	4			
2nd XI	3			Too late
2nd XI	3		I think 50 overs is the best	I would prefer 11am or midday
1st XI	2			Earlier start times would be preferable
1st XI	2	I lime the format of Time cricket		
1st XI	2			
1st XI	2		Needs to be shortened to attract more players to the game	could be earlier to end earlier
3rd XI	4			
1st XI	2			
1st XI	2			Earlier start would be preferable. 10/11am starts would allow for evening commitments to be possible, return home early for those with young families, increased bar revenue post game.
2nd XI	3			I think the start time should be earlier so games don't finish so late
